PROFESSIONAL EXPERIENCE

Fresher

Graphic Designer

Local projects

2023 - 2024

- Passionate about creating unique brand identities that resonate with audiences. I am dedicated to crafting memorable visuals and immersive experiences that not only align with a brand's core values but also leave a lasting impact. My goal is to bridge creativity with purpose, helping brands connect with their audiences on a deeper, more meaningful level.

Web Designer

Fresher

2023 - 2024

- Focused on creating intuitive UI/UX designs that prioritize user experience. I aim to craft seamless, engaging interfaces that balance functionality and visual appeal, ensuring every interaction feels natural and satisfying for users. By blending creativity with strategic thinking, I strive to solve complex design challenges and deliver experiences that leave a lasting impression.

Web Development

Fresher

2024

- As a beginner web developer, I am passionate about honing my skills in front-end development to build responsive and visually appealing websites. I focus on creating seamless user experiences using HTML, CSS, and JavaScript. While I'm continuously learning and growing in this field, I am dedicated to writing clean code and implementing modern design principles. My goal is to bridge creativity with functionality, delivering websites that leave a positive impression on users.
